

It was a bright sunny day. Skipper the SwingIt Squirrel was feeling his usual self: a lil' hyper and nutty. He decided to run outside to play on his playset. Imagine his surprise when he arrived to find.....himself! He thought "This can't be true!" "There's only one Skipper!". His other self looked a drop like him, same blue eyes, same brown fur, and same blue shirt and hat...WAIT! Why was the other Skipper's blue shirt and hat covered in mud?

Finally Skipper asked his other self "Who are you?", Other Skipper gave a little twitch and began to tell Skipper the story. "I--- We live in Brooklyn,NY, and we get our FANTASTIC swing sets FROM China". By then Skipper cut him off, "Everything's made in China!" They both laughed a little, Other Skipper continued, "Yes! And that's why I went---WE went to China" "But since I'm future you, we travel in tubes called 'Swingit Slides'".

Angrily Skipper cut him off "But, why is it called 'Swingit Slides'? Did they copy OUR name!". Other Skipper laughed.... "Did i say we do swing sets? Sorry, now we do 'Swingit Tubes'" "No!" Screamed Skipper. "Yes! We make way more Money, and everyone in the future don't play...."

"I was going to China and the tube got jammed, so I ended up falling in the mud right by the playset!", "Oh no!" Screamed Skipper worriedly "Are you Okay?". "Ya I'm fine, but I just got an idea!". You bet, Skipper had his ears on Future Skipper! "Let's save playgrounds!".

"Good idea!", Exclaimed Skipper. "Well...." Started Skipper "Can you give me ALL your swing sets?". Skipper thought about it.... "Sure!" "Thank you!" Excitedly said Other Skipper. "Yay!" Screamed Skipper Excitedly. But by then other Skipper was gone. Tired Skipper went back home.
