

ran over to see if he was okay!
The Swingit Monkey was holding on to
his foot and mumbling "ow ow ow".
They quickly called the doctor and
he came running in five short minutes.
The doctor said he was fine but
needs to rest. So he sat on the side
of the playset, sad that he can't play.
All the Swingit animals joined him
to keep him company and the shmoozers
until his foot felt better. They decided
to play calm calm games because they
didn't want anyone to hurt themselves
again. They slid down the slide in a
train and slowly slid down the pole one by one
waiting patiently until the next friend swingit
went down, playing very safe. Swingit Monkey
felt all better because they all were nice
and being careful ~~and~~ playing ~~on~~ the
playset.

They all said goodbye to each other
because it was getting dark.

We all know that Swingit
Swingsets are the Best And
you should be nice to your brothers
and sisters and friends like the Swingit
