

It was a bright and sunny day. Skipper the SwingIt squirrel was feeling his usual self: a lil' hyper and nutty. He decided to run outside to play on his playset. Imagine his surprise when he arrived to find...a brand new playset. Now, it was not just any random playset. No, no, no. It was a one-of-a-kind playset. It had three slides, ten really high monkey bars, four swings, and four windows. To top it all off, it was his favorite color, blue. It was the best playset in the whole entire world. And it was his. Okay, it is true, that he had to share it with his siblings. But, at least he is able to play with it. He played with it for the entire day, until he went inside to eat supper. Boy, did he have a grand time. And, he could not wait until he could play with it tomorrow...
