

It was a bright sunny day. Skipper the SwingIt squirrel was feeling his usual self: a lil' hyper and nutty. He decided to run outside to play on his playset. Imagine his surprise when he arrived to find a diamond ring. He went back inside to show it to his mother and his mother said it was her friend's diamond ring. She said it was because yesterday her kids came to play. She called up her friend and said she had her diamond ring. Her friend came and said thank you. Then Skipper went back to play on his playset and had a fun time.
