

He saw a new truck. He jumped in it, but he didn't know how to drive it. He ran inside and asked his mother, "Did you buy that new truck for me?" His mother said, "No, I didn't, go ask Dad." He ran to his father and asked him, "Did you buy the new truck for me?" Dad said, "Yes, it's for you." Just then, Sis came into the room and said, "Skipper, what are you talking about with Dad?" "Well," said Skipper to Sis, "there's a brand new truck in the backyard". Sis ran to see it. "Wow", said Sis, "it's so shiny." "So", said Skipper to Dad, "how do you drive it?" "Well", said Dad, "you push the button at the bottom near the steering wheel and then you turn the steering wheel to go whatever way you want. It's a present for your birthday." Skipper ran out to drive it. "Oh no", he said. He found Sis driving it around and around. He asked her nicely for a turn but she wouldn't share. He went in to tell his mother. His mother said, "Tell Sis to share." Skipper ran outside. Sis saw a black bird and ran inside, but Skipper wasn't afraid of the bird. He jumped into the car and went around and around. The bird flew away. Just then, Sis came outside. She said, "Could I please have a turn?" Skipper said, "After I'm finished."
