It was a bright sunny day. Skipper the swingit squirrel was feeling his usual self: a lil' hyper and nutty. He decided to run outside to play on his playset. Imagine his surprise when he arrived to find all his squirrel friends playing there! "It's so much fun out here" they all shouted! "Let's race down the slide and up the monkey bar" slider squirrel exclaimed happily. "look how nice and shiny this is" Swinger squirrel cried out. "The town kids would love this" one of them suggested. They all nodded ~~bigly~~ <sup>vigorously</sup>. At the mention of their name all the kids came running. Yippie hay - they hi-fived each others. "look how big and sturdy this is" a petite little boy pointed out. "I would love to have this in my own backyard" a tall freckled girl added. Everyone agreed. "Indeed" a little girl jumped up. Skipper the swingit squirrel was standing by the side and smiling. A light bulb just went off in his head. "Yes indeed in your own backyard".
